Dear Ms. Holmes-

Thank you for your valued service and dedication to the MLK Holiday DC committee. Your organization has been an active participant for the last several years.

It is through the support of individuals, community representatives and corporations like you that we are able to continue to strengthen our programs, and to develop the MLK Holiday DC members and the information community. See you on Saturday January 19th 2013.

Again, thank you for making this mission a reality.

Thank you,
Lisa Shaw
